

# Health Services Protection Plan

## Hearing Protection Plan Waiver

The Exclusive Health Services Protection Plan includes:

**Supplemental Warranty Protection**

**FREE Video-Otoscope Exams**

**FREE Monthly battery delivery**

**FREE Hearing aid Cleanings**

**FREE Monthly newsletter**

**FREE gifts for referrals**

The Health Services Supplemental Warranty Plan was thoroughly explained to me by my Miracle-Ear Hearing Instrument Specialist. However, I have decided not to purchase the Health Services Protection Plan.

I am declining this valuable coverage being offered to me at this time.
