*Our hearing test and video otoscopic inspection are always free. Hearing test is an audiometric test to determine proper amplification needs only. These are not medical exams or diagnoses nor are they intended to replace a physician's care. If you suspect a medical problem, please seek treatment from your doctor.
**Hearing aids do not restore natural hearing. Individual experiences vary depending on severity of hearing loss, accuracy of evaluation, proper fit and ability to adapt to amplification. Only your Miracle-Ear® representative can determine which model and options may be right for you.
†\$28 per month. Calculated at 12.99% interest for 60 months, must qualify with HealthiPlan® Patient Financing.
***Pursuant to terms of your purchase agreement, the aids must be returned within 30 days of the completion of fitting, in satisfactory condition for a full refund.
