

How to Order Miracle-Ear Foundation

Please note, this process is for adult orders. Should you have a child or a unique order, please contact the Foundation.

- From the Home Screen Select Order BTE

The screenshot displays the myMEMSI website interface. At the top, the myMEMSI logo is on the left, and the text "Welcome, MEMSI Support" is on the right, followed by "Bill To# MM0001" and "5010 Cheshire Lane N, Plymouth, MN". Below this is a navigation bar with links: Home, My Orders, Place Order (selected), Marketing Services, and Admin. The "Place Order" dropdown menu is open, showing options: Order Custom Instruments, Order BTEs (highlighted with a mouse cursor), Order Spare Parts, Order Earmolds, Order Ear Protection Products, and Repair/Remake Order (ITE/BTE/Earmold/Accessory). Below the navigation bar, there are four main sections: "Order Products" (with links to Order custom hearing instruments, Order BTEs & accessories, and Enter repair orders), "View My Orders" (with links to Track order status, Reprint order confirmations, and Look up warranty expiration), "Support & More" (with a link to Download Latest Software Updates & patches), and an empty section.

- Scroll down to the bottom of the BTE page to find the Miracle-Ear Foundation Approved Products. Select a product.
